

## DO YOU THRIVE IN A HYBRID WORK ENVIRONMENT?

PBH Surveys is seeking a motivated individual to join our processing team! This role offers a dynamic blend of home working and occasional visits to our York or Swinton office.

### **At PBH Group - Surveys, you'll:**

- Be part of a supportive team responsible for processing survey data.
- Gain valuable experience in the rail industry.
- Develop your skills through bespoke training courses with The Survey Association and the CICES Approved Development Scheme.
- Enjoy a competitive salary (£27,500-32,000) and a comprehensive benefits package including 28 days annual leave + Bank Holidays, access to a pension scheme, a mental health support line, and private healthcare for long term employees.

## **REQUIREMENTS:**

- Geospatial Technical knowledge.
- Basic understanding of Network Rail and relevant industry standards.
- Basic understanding of control grids and post processing.
- Basic user of N4ce or similar processing software package.
- Knowledge of the following survey techniques (office & site); Structure Gauging, Large Topographic Surveys, Deformation Monitoring, Setting Out, Precise Levelling, Laser Scanning Surveys.

## **READY TO TAKE THE NEXT STEP?**
